CATALOGUE OF . . .

Church and School FURNITURE

MANUFACTURED BY

HARRY GIBBON & SONS,

CRWYS STEAM JOINERY WORKS, CARDIFF.

HARRY GIBBON & SONS, being Manufacturers of School, Church and other Furniture, have much pleasure in presenting this Catalogue, illustrating work actually carried out in their Factory, and are enabled to offer special terms, and at the same time guarantee the quality of articles supplied. All School Furniture is carefully designed to conform with the Rules of the Board of Education, and is thoroughly up-to-date. If desired, Special Designs will be submitted for any article, or Architect's own designs estimated for and carried out. Samples of desks, &c., may always be seen, at our Showrooms on application. Attention is drawn to the illustrations given of the work carried out for various public bodies, and also to the List of Testimonials. A Speciality is made of Circular Seating, as shown in the illustration of the Chapel at Mountain Ash (see pages 21 and 22).

Our Workshops being fitted with the most up-to-date Machinery in the Provinces, Orders can always be carried out in the most expeditious manner.

. Testimonials .

CLIVE CHAMBERS,
WINDSOR PLACE, CARDIFF.

Messrs. HARRY GIBBON & SONS have on several occasions supplied the internal wood fittings for various contracts which I have carried out, including the seating of a number of chapels.

Their work has always given me entire satisfaction; the wood is well selected, and the detail drawings given them by me always receive careful attention.

JOHN H. PHILLIPS, F.R.I.B.A.

112, HIGH STREET, (AND MORGANTOWN),
MERTHYR TYDFIL.

To Messrs. HARRY GIBBON & SONS,
Crwys Steam Joinery Works, Cardiff.

Dear Sirs,—

It gives me great pleasure to inform you that I am thoroughly satisfied with the materials and workmanship in the various contracts (including seating and furniture) that were carried out by you under my personal supervision, and I trust that you will continue to be appreciated by architects and builders in the future as in the past.

I am, yours, &c.,
C. M. DAVIES, Architect.

CHURCH STREET CHAMBERS,
PONTYPRIDD.

Messrs. HARRY GIBBON & SONS,
The Crwys Steam Joinery Works,
Richmond Road, Cardiff.

Dear Sirs,—

I have pleasure in testifying to the excellent workmanship and manner in which you have executed contracts for seating, pulpits, shop fronts, and general internal joinery for several contracts under me.

Yours faithfully,
ARTHUR L. THOMAS, A.M.I. Mech. E.

PRUDENTIAL BUILDINGS,
BRIDGEND, Glamorgan.

Messrs. HARRY GIBBON & SONS have from time to time carried out works to our order and details. We have always found their workmanship and materials to be of the best, and all the works carried out strictly in accordance with the details supplied.

We have pleasure, therefore, in recommending them to all whom it may concern.

(Signed), GEORGE F. LAMBERT & SON.

GLAMORGAN COUNTY COUNCIL. EDUCATION COMMITTEE.
ARCHITECT'S DEPARTMENT, 62, CHARLES STREET,
CARDIFF.

Dear Sirs,—

I have much pleasure in stating that you have prepared a quantity of joinery for various works carried out under my supervision, and in every case the work was executed in a most satisfactory manner.

I am, yours faithfully,
D. PUGH-JONES, F.S.I., M.S.A.,
County Architect.

Messrs. HARRY GIBBON & SONS, Cardiff.

Testimonials—*continued.*

MASONIC BUILDINGS,
BRIDGEND, GLAM.

It gives us pleasure to state that during the last ten years the Crwys Steam Joinery Works has turned out a considerable amount of joinery of different kinds, made to our designs, for buildings erected from our plans and under our supervision, and we have invariably been satisfied both with the quality of the timber used and the good finish and exactness with which the details have been followed.

COOK & EDWARDS, M.S.A.

STATION ROAD,
BARGOED.

Dear Sirs,—

I am thoroughly satisfied with the way in which you have carried out the contract for joinery work at the Baptist Chapel, Hengoed, and the Congregational Chapel, Aberbargoed. The work has been very well done and is a credit to your firm.

Yours faithfully,
GEO. KENSHOLE.

Messrs. HARRY GIBBON & SONS,
Crwys Steam Joinery Works,
Richmond Road, Cardiff.

BUTE ESTATE OFFICE,
CASTLE STREET, CARDIFF.

To Messrs. HARRY GIBBON & SONS,—

I have great pleasure in stating that you have carried out a considerable quantity of joinery work for me in several important buildings, and that I have been very satisfied with the same,

Yours truly,
E. W. M. CORBETT.

ABERDARE.

I beg to inform you that your orham and pitch pine seatings for Gobaith and Cwmbach Chapels, Aberdare, have given me great satisfaction, the materials and workmanship being of a very high standard.

T. RODERICK, Architect.

21, DUMFRIES PLACE,
CARDIFF.

I have much pleasure in stating that Messrs. HARRY GIBBON & SONS have executed a quantity of joinery work from my designs from time to time, and have given much satisfaction both in workmanship and material, and I can with confidence recommend them to anyone requiring good and durable work.

E. M. BRUCE-VAUGHAN, F.R.I.B.A.

7, VICTORIA SQUARE,
ABERDARE, GLAM.

Dear Sirs,—

In reply to your favour of the 18th inst. I have no objection to your stating that you have carried out all joinery work to my details and to my perfect satisfaction.

Yours faithfully,
J. LLEWELLIN SMITH, M.S.A.

Messrs. HARRY GIBBON & SONS,
The Crwys Steam Joinery Works,
(Top of) Richmond Road, Cardiff.

ABERDARE.

Messrs. HARRY GIBBON & SONS, Cardiff.

Dear Sirs,—

I have great pleasure in testifying to the quality and workmanship in the materials and joinery work supplied to the several works carried out under my superintendence, which has always given me entire satisfaction.

Yours faithfully,
C. H. ELFORD, M.S.A.

Harry Gibbon & Sons,

CHURCH AND SCHOOL FURNISHERS.

THE above Firm beg to tender their cordial thanks to Customers and friends for past favors, trusting to receive a continuance of same.

Their large Furniture Works, which have recently been considerably enlarged, are fitted throughout with up-to-date machinery and appliances, enabling them to turn out first-class work at the lowest price compatible with excellence of design and workmanship and the best materials.

They always carry a large stock of well-seasoned Orham, Oak and Pitch Pine.

H. G. & Sons have a specially qualified staff, and their Representatives will wait upon Architects, Educational Authorities and others interested, to advise and suggest methods of Furnishing when desired.

Cardiff, Feb., 1909.

— TERMS, EXPLANATIONS, &c. —

(SUBJECT TO FUTURE ALTERATIONS.)

1.—**Cash Payments.** Orders should be accompanied by a Remittance or References in the case of first transactions.

2.—**The Carriage** of Furniture will be Paid to any Station on all Orders to the amount of £10 and upwards.

3.—**Damage to Goods in Transit.** All Goods will be sent without any risk to the Customer, on the following Conditions:

(*a*) That the Goods be carefully examined by a competent Person before any Receipt is given to the Railway Company, and that if found to be damaged, the fact to be stated on the Delivery Sheet.

(*b*) If the Goods cannot be Examined, the word "Unexamined" to be attached to Receipt, and if afterwards found damaged, advise Railway Company at once.

(*c*) Advise us, giving particulars of damage, at once.

4.—**Packing and Cases** will be Charged, but allowed for when Returned Carriage Paid, bearing Sender's Name.

5.—All Articles will be of Sound Quality, and First-Class Workmanship.

6.—In ordering Scholars' Desks, the height and number should be given.

Samples of Orham and Oak sent upon application.

Please Note: **Estimates** submitted according to Architects' own designs.

Prices will be submitted including Varnishing or Wax Polishing, as preferred.

Discount will be governed by amount of Order.

Architects are invited, before including Seating in Builders' Quantities, to allow us an opportunity of quoting for same, feeling confident that as regards Price, and especially Quality, it will be to their advantage.

Any Church or other Furniture not in this List can be Manufactured to Order.

Please do not cut Pages: Order by number.

This Catalogue is not priced, owing to Architects requiring special lump sum Prices.

We shall be pleased to submit Prices for any Article, or Quantity, upon application.

TERMS AND EXPLANATIONS—continued.

1.—The Works are situated within 10 minutes' walk from the Taff and Rhymney Railway Stations.

2.—The Roath Park Electric Cars will put you down at the junction of City Road and Albany Road, and then the Works are within 2 minutes' walk, the first turning in Richmond Road.

3.—We have a Railway Siding at our Works, so all our Goods are packed by our own experienced men.

4.—All sizes of Materials are nominal, unless otherwise specified.

5.—If delivery is included in our Estimate we deliver to the nearest Station only.

6.—All Stock Goods are offered subject to being unsold on receipt of reply.

7.—Subject to the usual Strike, Lock-out, Accident, and Negligence Clauses, or to any circumstances not under our control.

8.—Any complaints must be notified within 3 days of receiving Goods, or same cannot be entertained.

9.—All communications to be addressed to the firm and not to individuals by name.

10.—We do not hold ourselves responsible for damage by fire or otherwise to goods in our care.

11.—We employ over 100 workmen.

12.—Architects' designs our speciality.

CASTINGS.

ON the next page we beg to draw your attention to the photographs of our Registered Designs which we intend to apply to every form of desk.

Our Desk Standards are made of Best Fine Cast Iron, with Malleable Iron Fittings, such as Hinges, &c., all corners being rounded and designed on sanitary lines, so as to afford the least chance of gathering dust, &c., in angles.

All ironwork is enamelled black unless required otherwise.

If required, old long desks can be cut down, cleaned, fitted with new standards, stained and varnished, and brought up to date.

The illustrations are given for general guidance only, and are not binding in detail.

DESIGNS and DESCRIPTIONS

OF

School and Church Furniture.

"It is recommended that all DesKs should be fitted with lift-up Seats, as it meets the repuirements of the Board of Education, viz.:—'That the edge of desks should be vertically, over the edge of seats,' which, when turned up, enable the Scholars to stand for Manual Exercises, or to leave their places."

SCHOOL FURNITURE.

The "Convertible" Desk.

This desk has been designed as specially adaptable for County Schools, Mission Halls, Sunday Schools, &c., and is easily convertible into tables, or seats with backs. It can be supplied either with fixed or lift-up seats, the latter being recommended. Manufactured of best pitch pine, orham wood or oak, with 13½ inch top, 9 inch seat, in 1¼ inch woodwork, in three heights, viz., 25, 27, or 30 inches. Floor space, 2 foot 3 inches with fixed seats, and 2 feet with lift-up seats. Stained and varnished, made in any length, and fitted with foot-rest, book shelf and slate slots.

The "Rigid" Desk.

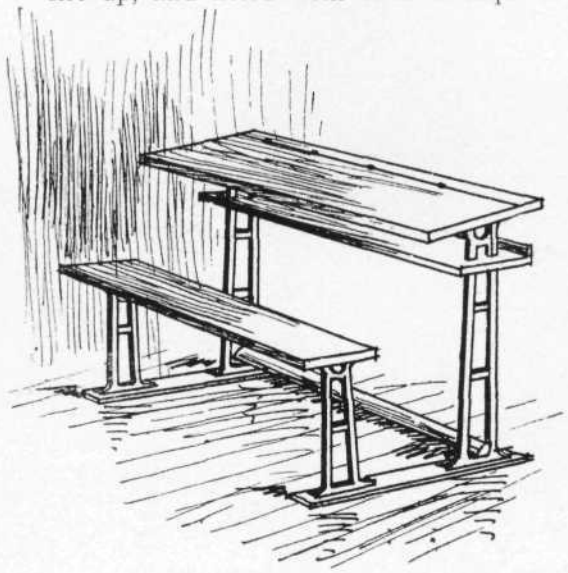
Manufactured in best pitch pine, orham wood or oak, with 9 inch seat and $13\frac{1}{2}$ inch fixed tops, and in three heights; stained and varnished and fitted with foot-rail. The seats made either fixed or to lift up, and, if required, fitted with back, as recommended by the Board of Education.

No. 24 B

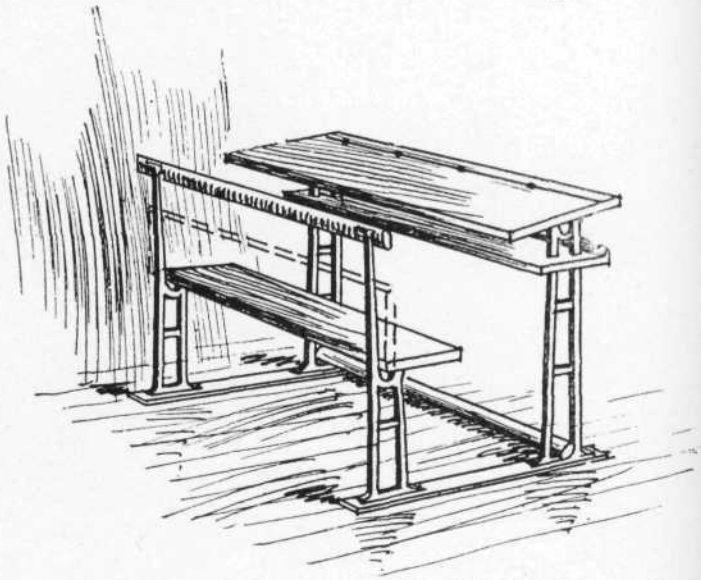
No. 25 B

The "Economical" Desk.

This desk is similar to the "Rigid" but is fitted with book shelf and slate slots, manufactured in best pitch pine, orham wood or oak, with $13\frac{1}{2}$ inch fixed top and 9 inch seat, either fixed or to lift up, and fitted with back if required; stained and varnished and made in three heights.



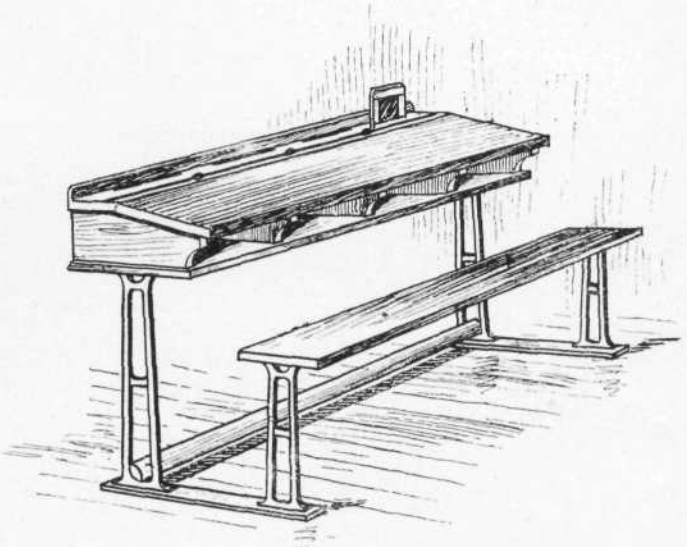
No. 26 C



No. 27 C

The "Box" Desk.

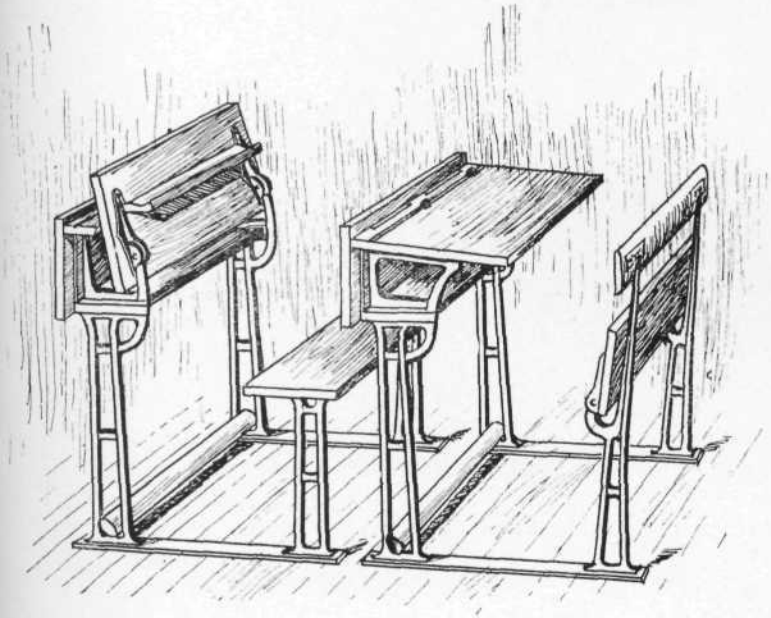
No. 28 D



No. 29 D

This desk has a wide bookshelf and back, and is divided up into compartments for each scholar, with flat pen space at top, slate slots and foot-rests, made with either lift-up seats or fixed, and fitted with backs, if required. Manufactured of best pitch pine, orham wood or oak, and made either as dual desks or in long lengths.

The "Glamorgan" Desk.



No. 30 E No. 31 E

This desk is highly recommended as being thoroughly up-to-date and convenient for educational purposes. Manufactured of best pitch pine, orham wood or oak, with flat pen space, lift-up seats and flap top to desk, bookshelf and enclosed front, which forms a back for seat in front when used on the "group system." Stained and varnished, fitted with slate slot and foot-rail, with 14in. top, 9in. seat, and manufactured in three heights, made as dual desks or in long lengths. If preferred, this desk will be fitted with fixed sloping top instead of lift-up flap

56 to 58

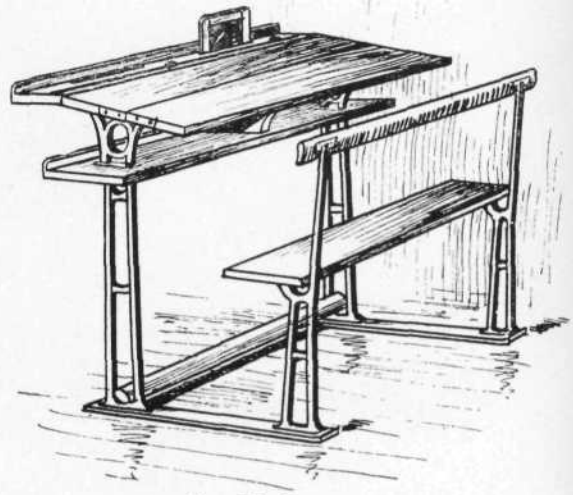
59 to 63

64 & 65

66 & 67

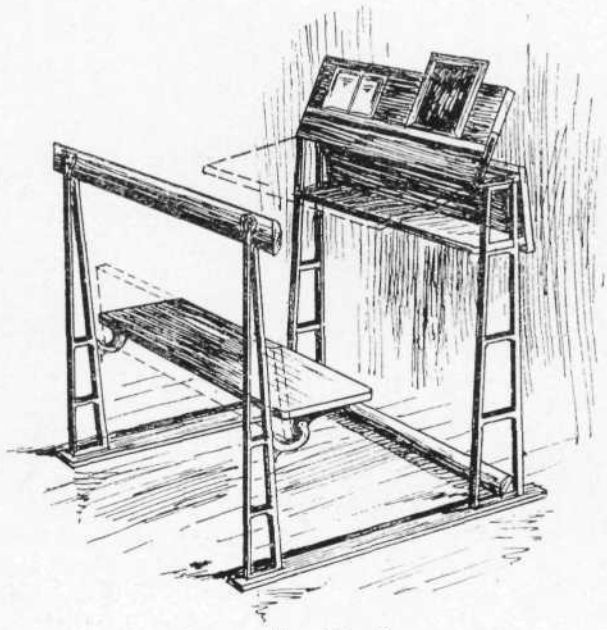
The "County" Desk.

No. 32 F



No. 33 F

Manufactured of best pitch pine, with lift-up flap top and flat pen spaces, slate slots, foot-rest and divisions, fitted with either lift-up or fixed seats, and with backs, if required. Stained and varnished, and made either as dual desks or in long lengths.



No. 34 G

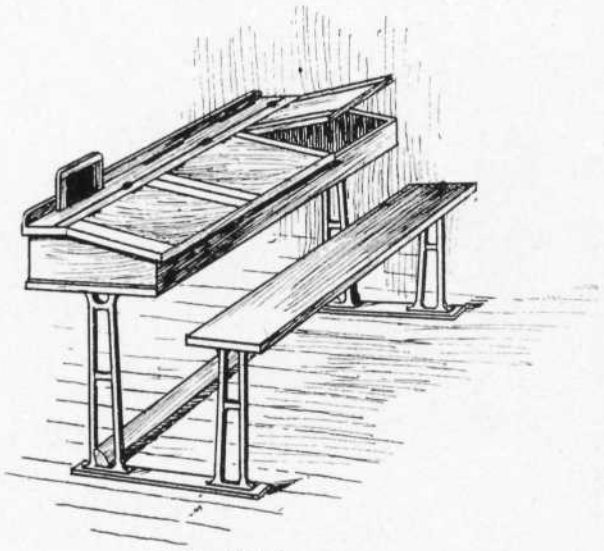
The "Monmouth" Desk.

This desk is adaptable for various purposes, being designed that the whole of the writing flap turns up, for the purpose of forming a book rest, or for drawing lessons, also allowing sufficient space for manual exercises, when both writing flap and seat are raised. Manufactured as dual desks in best pitch pine, orham wood or oak, stained and varnished. In three heights, 27, 29 and 31 inches, with 13½in. top, 9in. seat, and with or without backs. Fitted with book rest, enclosed front and foot-rest.

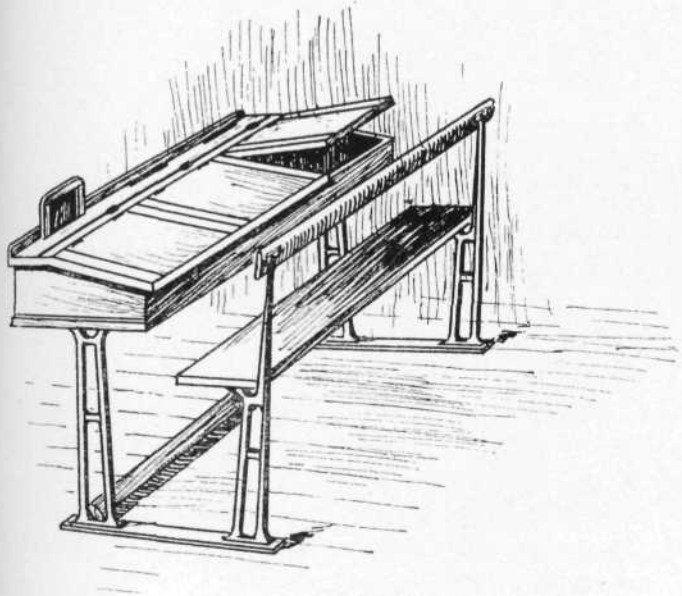
Samples of Orham and Oak on application.

The "Locker" Desk.

No 35 H



No. 36 I



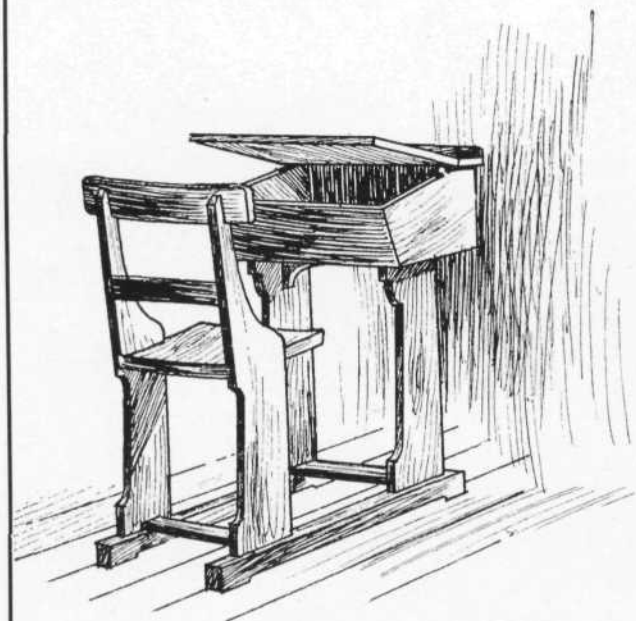
No. 37 K

A superior locker desk, specially suited for private schools, colleges, pupil teacher centres, higher elementary or intermediate schools. Manufactured in best pitch pine, orham wood or oak, and made either as single or dual desks, or in longer lengths if required, with separate locker for each pupil. Made in three heights, 26, 28 and 30 inches, with 18in. top, 9in. seat, fixed or lift-up seats, and with or without backs, as required. Fitted with slate rack and foot-rest, and stained and varnished, or wax polished, as desired.

56 to 58
59 to 63
64 & 65
66 & 67

The "University" Desk.

This desk is manufactured entirely of wood, best pitch pine, orham wood or oak, stained and varnished, and is specially adapted for private schools, training colleges and pupil teacher centres. Made either as single or dual desks in three heights, viz., 28, 30 and 32 inches, with separate locker compartment for each student, and with fixed or lift-up seats, 15 inches wide, with rail or chair-backs. All joints are dovetailed.

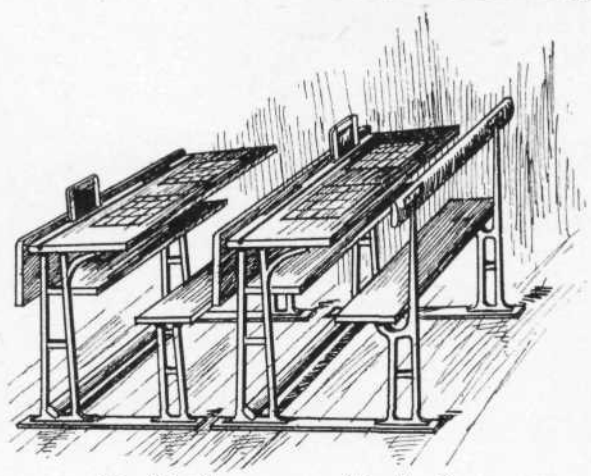


No. 38 L

No. 39 M

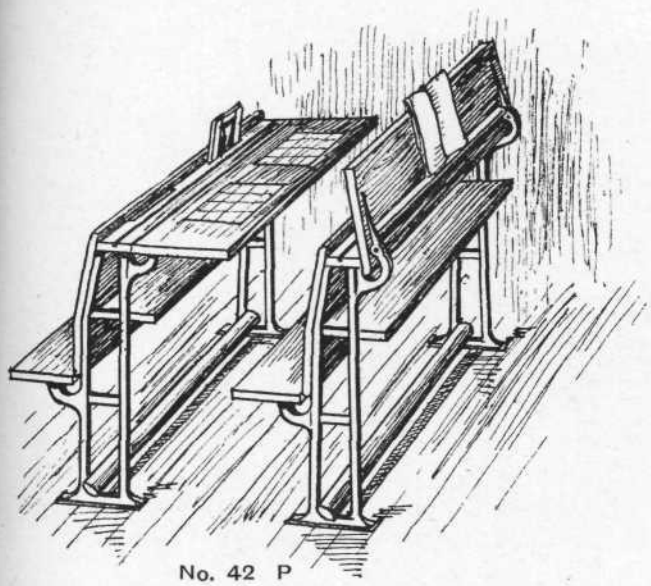
INFANTS' DESKS.

The "Folding" Desk and Seat.



No. 40 N No. 41 O

This desk has been specially designed for use in infants' schools. Manufactured of best pitch pine, orham wood or oak, with flat top, bookshelf, slate slot, foot rail, enclosed front and fixed or hinged seat to turn up, thus allowing the edge of desk to be vertically over the edge of seat, and allowing ample room for the scholars to stand; in four heights, 24in., 22in., 20in. and 18in., with 11-inch top and 7-inch hollowed seat. When used on the group system backs to seats are only required to the back row, the fronts to desks forming backs to seats of desks in front; made either as dual desks or in long lengths.



No. 42 P

The "Infant Dual" Desk.

This desk, manufactured of best pitch pine, orham wood or oak, is fitted with lift-up writing flap and seats, thus providing ample space for manual instruction, and also adaptable for fitting to gallerys, the seats being on the desk standards, with enclosed fronts, bookshelf, foot rail and slate slots, 11in. top and 7in. hollowed seats, in four heights, 24in., 22in., 20in. and 18in.

Babies' Room Fittings.

The leading Educational Authorities recommend the use of low tables and chairs instead of desks for babies' rooms, the tables to be 6ft. by 3ft. 6in. and 18in. high, and the chairs fitted with rail backs as shewn in the illustration, and tops of tables marked out for kindergarten work.

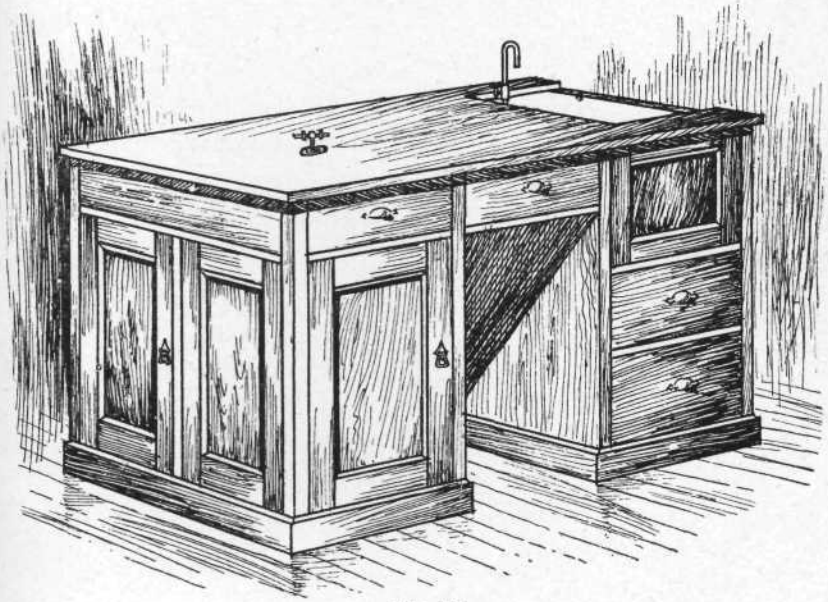
No. 54

Museum Cupboard.

Manufactured of best pitch pine, orham wood or oak, with all joints dovetailed, stained and varnished, upper part fitted with adjustable shelves, with locker at bottom. Doors glazed with best sheet glass fixed in with beads; 7ft. 6in high, 5ft. 6in. wide, upper part 18in. deep, lower part 21in. deep.

LABORATORY FITTINGS.

The Laboratory fittings have been designed to give the maximum of working accommodation with the minimum of floor space, together with being up-to-date for the latest modes of teaching and demonstrating. Great attention has been paid to the connections of apparatus to drains, in every case where practicable. Earthenware pipes are used instead of metal, owing to the chemical actions set up where metal is used.



No. 55

Demonstration Table.

This table is specially recommended for class-room demonstrations, but can be supplied in larger forms for lecture-room work. Made with selected teak top, oiled, and lower parts in best pitch pine or orham wood, stained and varnished, with drawers and cupboards, as shown, white enamelled sink (which can be covered up when not in use), folding tap, and two or three-way gas points. Size: 5ft. by 2ft. 3in. by 2ft. 9in. high.

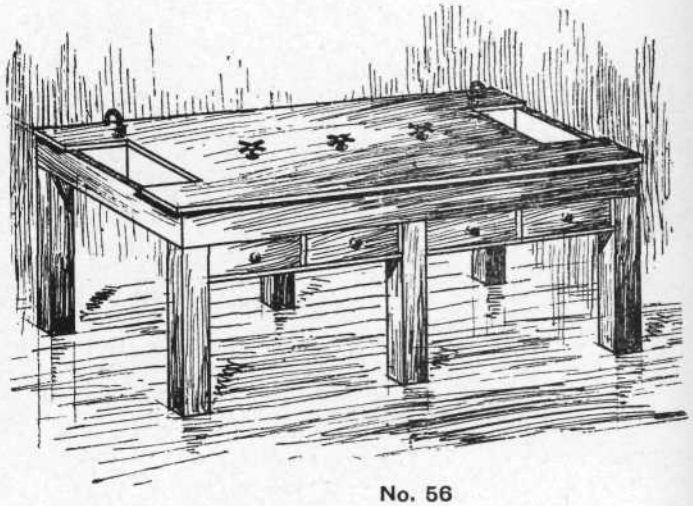
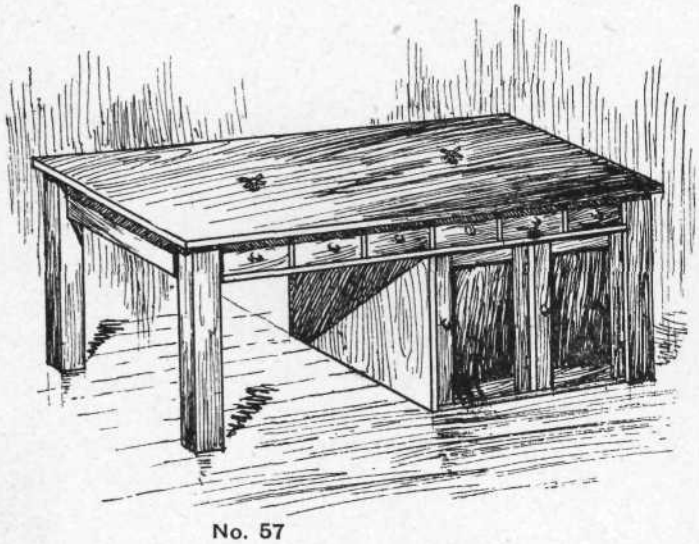
Student's Working Table.

This table is specially recommended for laboratories where both chemical and physical studies are taken. The sinks and gas burners can be covered in, thus leaving the top of the table clear for physical work. With oiled teak top and other parts in best pitch pine, fitted with two white glazed fireclay sinks and folding taps, and three three-way gas burners, giving accommodation for six students ; or larger sizes can be supplied, if desired. Fitted with drawers underneath, as shown.



No. 56



No. 57

Working Bench for Physical Laboratory.

The illustration shows a students' working bench, for eight students, four on each side. Made with oiled teak top, other parts in best pitch pine or orham wood. Fitted with two four-way gas points, and drawers. If required, the under part can be filled in with cupboards, as shown in illustration. Size : 8ft. by 4ft.

CHURCH FURNITURE.

We undertake the manufacture and supply of all descriptions of Church and Chapel Furniture. A few designs are given, but special Drawings, Designs and Estimates will be given free of charge, on application.

We beg to draw attention to the photos in this Catalogue of high-class work carried out by us for various Churches, Chapels, Police Courts, and other public buildings.
